MINNEAPOLIS, MINNESOTA**MEDICAL RECORDS AND ADDITIONAL MEDICAL INFORMATION**  
**In Support of Motion for Sentence Reduction Under 18 U.S.C. § 3582(c)(1)(A)****NOTICE**

The public can access electronic court files. Federal Rule of Criminal Procedure 49.1 addresses the privacy and security concerns resulting from public access to electronic court files. Under this rule, papers filed with the court should *not* contain a person's full social security number or full birth date, the full name of a person known to be a minor, or a complete financial account number. A filing may include *only* the last four digits of a social security number, the year of a person's birth, a minor's initials, and the last four digits of a financial account number.

If you attach documents to this form that you believe should not be publicly available, you may request permission from the court to file those documents under seal. If the request is granted, the documents will be placed in the electronic court files but will not be available to the public.
